CLERK OF COURT

RE: Rufus West a/k/a Muslim Mansa Lutalo Iyapo v.
John Kind, et. al. Case No. 17-CV-482.

Dear Clerk,

The prison is on lockdown due to Covid 19.

On 3-18-20 I received the court's ruling in my case in Case No. 18-CV-1277. I went to the law library later that night. While at the law library I discovered that the court ruled in my case above-captioned^{as Westlaw} but as of today I have not received a copy of the court's decision. It's weird because Redgrave^{correct} ^{Institution} sent me a copy of the court's decision in the Bauman case - but not this case.

Your attention to this matter will be appreciated.

Sincerely,

Rufus West
